

Check It Out!

If you want to have a great basketball season, you need the best training offered. Take advantage of this pre-season clinic to review technique and learn new material, choreographed especially for basketball games and half-times. Dancers will have the opportunity to learn hot new dances. Cheerleaders will learn a funky dance, and new cheers just for basketball. This combination clinic and pre-game rally will prepare your squad and give you the opportunity to showcase your talent at a professional athletic event.
